## \*Capability Statement

Global Path Consulting Services LLC, is a premier resource for cutting-edge recruitment solutions , sourcing services and digital marketing / Ads / Advertising. While our primary focus is in technology, we also support the Finance and Healthcare industries as well.

diverse industries.

**Vast Network** We offer a variety of strategic recruiting and sourcing services, specifically designed to meet your team's unique requirements. Our nationwide searches are designed to connect hiring leaders with the talent they need to be more productive. We utilize the access to over 100 job boards, allowing for rapid identification of niche talents across

**Digital Marketing Services:** At Global Path Consulting, we recognize the role that digital marketing plays in the ever-evolving world of talent acquisition. Our digital marketing solutions are specifically tailored to empower HR Managers and Business Leaders, aiming to not only elevate your company's visibility but to engrain its culture and ethos in the minds of your future employees.

**Career Development Coaching :** Interactive career coaching sessions, resume reviews and interview preparation sessions are available for potential candidates and job seekers, ensuring candidates have the tools and information necessary to present their skills and experience in the best light.

**Community Engagement:** Global Path Consulting Services is actively seeking to forge meaningful partnerships with organizations, nonprofits, and government and state agencies that share our commitment to empowering the less fortunate through access to essential resources and enhanced career opportunities. By combining forces, we aim to create a robust network of support that efficiently

connects the community to new educational sources and career paths.

**Why Choose Global Path Consulting Services**

Our dedication to excellence applies to providing recruitment and career development solutions but also fostering meaningful partnerships. Global Path Consulting Services realizes that recruitment is an important part of building a team and the business,

and that the process should be mutually beneficial to all parties.
